## Looking Ahead: Real Estate Professional Appreciation Month

### **SAVE THE DATE!** *Thursday August 8th*

Every August we take the month to highlight the hard work that each paralegal, abstractor and attorney puts forth to do their jobs. We know that often you all go without being appreciated for a the big and little things you do (its just the nature of this business).

So in honor of you we plan a month of appreciating you. By sending out handwritten notes to bringing you small tokens of our appreciation to our ReelTime CLE/Happy Hour.

This year we are planning on stepping it up a notch and hosting the ReelTime CLE and Happy Hour at [Studio Movie Grill in Epicenter](#) on Thursday August 8th, 2013. The ReelTime CLE will be

## Warrior Dash 2013

This years Warrior Dash on Saturday June 1st was a blast! This race is not for the dainty or faint of heart! We got down and dirty. The massive mud pit at the end of the race ensures that you finish covered in mud. And thats if you CAN get out of the mud pit.

We try and participate in this race every year, next year we'd love for some of you to run with us. We'll give you a heads up when registration time rolls around for next years race. We'd love to have an ever bigger group next year!

## Meet the Family Pet Edition

This month we are introducing you [Maria's](#) furry babies.

I have two 4 legged children, Jack and Minah. Jack is the very patient, tolerant big brother at 10 years old. His "proper name" is F.B. Jackson. The F.B. stands for Fur Ball

because he was a huge ball of fur when he was a puppy. He has a very loud bark, but is very tender-hearted. He is extremely handsome and his personality just shines through his messed up grill!

Minah is the demanding, spoiled rotten baby sister at 1 year old. She's constantly pestering Jack to play with her, she doesn't share well with others and she HAS to be the

center of attention.

Her name comes from one of my all time favorite love stories - Bram Stoker's Dracula (no joke) and it means love, which is appropriate because she wasn't really planned and we consider her our love child!
